

Reach the audiences you need for your quantitative and qualitative online research.

## Trusted by more than 500 academic institutions

A range of leading universities and academic institutions are already building their projects on our services and samples. More than 500 academic institutions from sociology, psychology, economics and other disciplines work with us - for theses, dissertations, research projects and long-term research.

We provide online samples, technology and services for your research project.

## Why do they partner with us?

**Extensive experience**  
projects with more than 1,700 clients worldwide.

**Sample quality which is among the industry highest**  
best-in-class respondents and samples, combined with accuracy, high response rates and consistently met quotas.

Ongoing individual support throughout the whole project.

## We ensure the quality of the data

Constant recruitment of double opt-in panellists through broad and reliable recruitment sources.

Ongoing panel management, monitoring, cleaning and profiling.

Project based quality checks, and systematic cleansing of our panels.

Our platforms are hosted in the European Union on our own secure servers.

## A trusted partner

Bilendi & respondi joined forces in 2021 creating the strongest portfolio of high-quality panels in Europe and the largest team of local data collection experts.

We adhere to the quality standards defined by the market research industry and are members of the major European professional associations.

Our quality management fulfills the strict criteria of the international ISO standards 20252:2019, a certification specifically for market, opinion and social research, relating to the way in which market research studies are planned, carried out, supervised, and reported to clients.
